MAXPRO DRILL PROMO

TAKE ADVANTAGE OF THE MAXPRO DRILL PROMO

Aluminium machining is a demanding process that requires high cutting speeds, excellent chip evacuation, and minimal tool wear. With our MaxPro Drill solution, you can tackle these challenges with confidence and performance.

To support your operations, we're launching a special campaign: if you've already purchased a MaxPro drill body, you can request a **free blister** with sample inserts. If you haven't yet acquired the toolholder, don't miss the opportunity, by purchasing **20 inserts** (10 outer inserts + 10 inner inserts), you benefit from **50% off the drill body**.

Explore the MaxPro Drill and take your aluminium drilling to the next level.

MAXPRO DRILL RANGE

DC range (mm)	SOHX-LN (outer insert)	XOHX-LN (inner insert)
